

Join Me at the Table

I'd like to invite you to a Home Cook Gathering inspired by the Jacques Pépin Foundation.

This evening is dedicated to sharing, connection, and time around the table, reflecting the Jacques Pépin's way of bringing people together with **Happy Cooking!**

We will enjoy good food, good company, and a break from the everyday for a moment of community.

I can't wait to share this special evening with you, because the table is always more meaningful when shared. I hope you'll join me.

While the evening will be rich in flavor and connection, we also invite you to consider a donation in support of the Jacques Pépin Foundation. Your generosity helps provide access to learning and foster workforce pathways through the transformational power of cooking.
